Brushcutters

Shindaiwa brushcutters have the performance and comfort you need to handle the toughest conditions. Professional features such as a bicycle-style handlebar with comfortable rubber grips, 20-inch cutting swath, and a choice of 2-stroke or Hybrid 4™ engine technology enable Shindaiwa brushcutters to quickly and effortlessly slice through thick undergrowth. A standard Speed-Feed head, along with blade mount hardware provides maximum versatility to tackle any brush clearing task.

2year
commercial
warranty

Shindaiwa provides optimum performance and durability for season after season of outstanding operation on even the toughest jobs and in the harshest conditions. And each one is covered by a 2-year commercial warranty — dependability you can count on.
